PACT

LEGISLATIVE REVIEW/REFORM SUB-COMMITTEE

TERMS OF REFERENCE

- To review incoming requests for feedback on proposed legislation/government policy or practice to determine if a PACT response is warranted.
- To consult with PACT staff, Board of Management and allied professionals to appropriately respond to relevant proposed legislative or policy changes.
- To identify potential issues that would impact on PACT operation should new legislations/policies be enacted or introduced.
- To prepare informative and accurate responses to government on proposed legislation/policy.
- To brief the Board of Management on proposed legislative/policy reforms that affect PACT operation.
